

Dogs in the GROSSARLER HOF

Dear dog owner, your four-legged friend is welcome.

However, there are some things to consider in order to guarantee a wonderful and harmonious time together.

- Dogs must be well behaved and clean,
- socially acceptable (no biting, no uninterrupted barking) and
- be insured against civil liability.

At the hotel:

We kindly ask you to keep your four-legged friend on a leash throughout the hotel.

Maybe there are other dogs in the hotel or some guest without dogs might have great respect for dogs and would feel impaired.

Information on walking-routes can be obtained at the reception.

In the room:

We ask you to bring a suitable dog basket or a blanket, on which your four-legged friend feels comfortable. If you leave your dog alone in the room, please inform the reception and use the "Do not disturb"-sign.

Room cleaning is carried out without exception only when your four-legged friend is not in the room. Please arrange a suitable time for room cleaning at reception.

! Your dog is not allowed on the bed or on furniture !

In case of heavy soiling or possible damage to furniture, doors, carpets, etc. that were caused by your four-legged friend, the cleaning will be charged.

Dogs are not allowed in our main restaurant.

On request and subject to availability, your four-legged friend can be taken to our „Jagastub´n“ for dinner. The condition here is that your dog stays good behaved under the table.

Please note that other guests may also bring their four-legged friend with them.

Dogs are not allowed in the entire wellness and sauna area for hygienic reasons.

Per dog and day we charge 25,00€ (without food).

We thank you for your understanding and are looking forward to welcome you and your four legged-friend!
